WELCOME TO THE TRACTOR BARN @ STONE SIDING EVENTS

Thank you for taking the time to read our brochure and we hope you find it full of the information you require, if you have any questions unanswered please do contact me

A little bit about us...

The Tractor Barn is not your average wedding venue. It is a wonderful space for your wedding or event surrounded by the beautiful Northamptonshire countryside. Our versatile barn can host weddings from 50 to over 250 guests.

We love personalised celebrant-led weddings, however, we are licensed by West Northants Council to hold both marriage and civil ceremonies with a choice of using the inside of the barn or the lawn area outside.

We are a family-run venue with fantastic staff on a working farm and we pride ourselves on attention to detail and a personal touch. Unlike many other venues, we only host one wedding or event a week so that our lovely couples and families have time to set up and their day is perfect. Our main aim is to ensure every couple gets a fun and relaxed wedding that suits exactly what they want. We can help you to organise as little or as much as you want.

Despite its rural location, The Tractor Barn has fantastic transport links to the rest of the country, being conveniently placed and close to the M1, M6, A14 and A5.

We also spend time getting to know our happy couples and many become family friends.

I'd love to hear from you,

Linsey x

CEREMONIES @ THE TRACTOR BARN

Here at Stone Siding Events we believe everyone should have a ceremony that suits them!

All of the ceremonies here have been unique. Many of our couples choose a celebrant to host their ceremony but we have also had friends and family members take part too!

We are also licensed by West Northants Council to hold both marriage and civil ceremonies so you have added choice.

Of course, you don't have to have a ceremony here! You may choose to get married abroad and have a wedding party on your return, or you may have chosen to get married in a religious service and host your reception here. The choice is completely yours.

CATERING @ THE TRACTOR BARN

No one wants to be told what menu they can have, or be given set menu prices. We allow you the freedom to choose your own caterers (subject to food safety rules).

We have had everything from hog roasts to sharing platters, fish and chip vans to traditional Asian cuisine and buffets to three course menus . The list of caterers and style of food is endless.

As we don't have a kitchen on site, our advice is to check with your caterer whether they can provide "outside catering"

Don't know where to start? Don't worry! We can support you to find a caterer that suits you.

DRINKS @ THE TRACTOR BARN

The Tractor Barn Bar | No Daytime Corkage | Our UNLIMITED drinks packages!

The Tractor Barn has a large rustic bar that is fully staffed and stocked. We are proud of our selection of drinks and are competitively priced with our local pubs.

If you have a favourite tippie do let us know so we can ensure we stock it for your wedding day!

Fancy providing table drinks for your guests? We offer a no corkage option in the daytime. We will even help you calculate how many drinks you need and discuss chilling options.

Of course we can have the bar open all day too.

If you want to avoid any organisation of drinks in the day time, you might decide to choose one of our unlimited drinks packages. We have a variety of options.

To ensure a smooth evening where everyone can relax, we only allow our Tractor Barn bar and we store any daytime drinks for collection the following day.

We supply the bar staff and glassware too!

We really are flexible!

FREQUENTLY ASKED QUESTIONS

Can my dog be part of the wedding?

Of course! We welcome well behaved dogs on site. We ask that they will be supervised at all times and kept within the field boundary

Can we legally get married at The Tractor Barn?

Yes! You will need to pay for the registrar to attend the venue and book this with the council

Do you have accommodation on site?

No we don't but we are fortunate enough to have a number of local B&Bs, hotels and holiday cottages that we can recommend. We do have the option for a bell tent village.

Is furniture included in the venue hire?

Yes! Unlike other venues we include our furniture, should you wish to use it. This includes 6ft round tables and black chairs

Do you have electricity and toilets in The Tractor Barn?

Yes, we have electricity, lighting and toilets

Can we use confetti?

We love a confetti shot and welcome biodegradable confetti

Can we have fireworks and sky lanterns?

Sorry, unfortunately due to the fact we are a working farm we do not allow fireworks or sky lanterns but sparklers or smoke bombs look great in photos.

Can we have time to set up and pack away?

Your hire includes time to set up before your wedding or event, your special day, and time to pack away the following day.
